The Honorable Douglas H. Wilkins
Lawrence Superior Court
43 Appleton Street
Lawrence, MA 01840

Dear Judge Wilkins,

I have known Mr. Degnan for a few years through working with his daughter Gina Degnan. Having met him on several occasions, I know him to be the ultimate family man, as well as a genuinely caring person who wants the best for those who surround him.

His concern has even extended to myself, and on several occasions he has offered advice and encouragement in regard to my academic pursuits and professional license.

Please consider the impact Mr. Degnan's sentence will have on the family he loves so much.

Respectfully,

Kallandra Kapala
